Bus and Coach Static Seating

The KAB T-1 & T-4 Static Driver Seats are Ergonomically designed to offer a high specification non-suspended seat option for installations where suspension seating is not required.

Constructed with a robust Steel frame, the seats are designed to be durable in arduous environments including Off-highway applications making them particularly suitable for the Bus & Coach sector.

Available with Medium (T-1) & High (T-4) Back Cushions, the KAB Static range cater for most sizes of Bus & Coach Driver.

Fixed height mounting plinths are also available for installation of seats if required.

Fixed Pedestal

available heights:
150mm for Suspension seats and 228mm for Static seats

KAB T1
