Welcome to the Range...

The KAB Seating Work Chair range has been developed as a result of supplying vehicle seats for the transport, construction and agricultural industries.

Every day, thousands of vehicle drivers sit comfortably and safely in KAB seats.

The characteristics necessary in a good drivers seat are equally as important in the workplace today. Particular attention has been paid to criteria laid down by the British National Back Pain Association when designing the Work Chairs.

THE ASSOCIATE'S
UNIQUE TRIPLE
LUMBAR SYSTEM

ASSOCIATE

An elegant yet robust chair, ideal for general offices and strong enough to contend with 24 hour applications. Its unique triple lumbar feature provides a variable height lumbar support.

Range Applications

The KAB Seating Work Chair range is proven in the following applications:

**24 Hour and
Emergency Services**

Orthopaedic

General Office

**Prestige Office and
Board Room**

PC/VDU

Visitor

Receptions

**Call Centres and
Dealing Rooms**

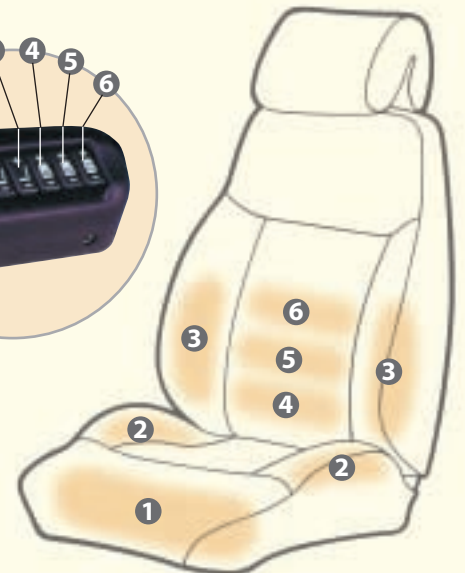

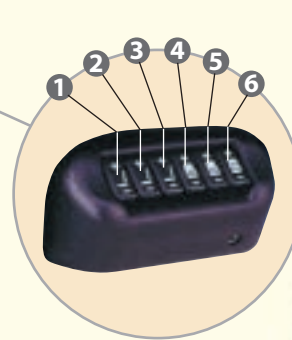

The KAB Office chair range is 'Lifestyle' friendly to suit all working environments.

ACS EXECUTIVE

The top model of the KAB range is ideal for company executives and entrepreneurs. Trimmed in 'Vintage leather' made from prime European bull hides the ACS provides superb user comfort. Eight adjustable air bags around the seat and back cushions ensure maximum comfort and focus in busy environments. The adjustability of this chair also makes it an excellent injury rehabilitation chair.

KAB Air Comfort System

To mould the chair to your body simply press a button and the electrical pump will feed air to support the area of your preference. A mains charger is supplied to boost the 12v rechargeable battery every 3-4 months.

EXECUTIVE

Ideal for prestige offices, company executives and 24 hour use. It's wide flat cushions also make it ideal for large users.

KAB office chairs provide movements to relieve everyday stresses placed on the body

Movement varies the stress and strains placed on the body. KAB work chairs offer the person the option of various adjustments so that you do not have to sit rigidly all the time.

KAB new tilt system

Side mounted rotary controls

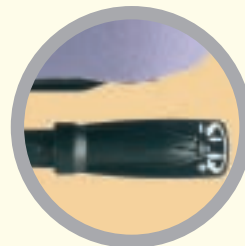

Easy weight adjustment 50-150kg

Full tension range in less than one turn

Easy height and tilt adjustment

'Anti-kick' safety system

24 Hour use certified

DIRECTOR

The Director is KAB's number one seller and provides top value for money and maximum reliability. It is a versatile chair and ideal for senior personnel, workstation and heavyduty environments.

KAB Office Chairs are fully adjustable to maximise your comfort at work...

CONTROLLER

A 24 hour chair for primary use in surveillance and control stations. Also ideal for deluxe office environments.

Features of the KAB range

MANAGER

An all round business chair for general offices, VDU operatives and industrial applications.

KAB Office Chairs are available in a wide range of colours and fabrics to suit all office interiors. The covers are replaceable to facilitate repair and refurbishment also to match any new colour schemes.

Fabric Trims

A range of high quality standard or optional fabrics are available to meet all user requirements. These comply with international standards.

Leather/PVC Trims

KAB Seating offer a range of 'Vintage leathers' as standard. These are made from the finest European Bull hides. Chairs are available in full leather or in a leather/PVC option which is good for serviceability in certain environments. The Controller features Vintage leather and fabric, with twin stitching for strength and maximum effect.

NAVIGATOR

A quality medium orthopaedic chair for VDU operators, general office use and internet users. It has a medium height backrest
