Office Seating Solutions

## Visitor Chair

Orthopaedic ●

Visitor ●

**The New Visitor Chair is the latest addition to the KAB range of high quality office chairs. It is designed as a cost effective alternative, to compliment the existing range of KAB Office chairs. The Visitor Chair is ideal for short term seating applications in various office environments**

### Typical applications

**Visitors  
Meeting Rooms  
Conference Rooms  
Receptions Areas**

### Standard Features

- Black 5-star aluminium base ●
- Twin wheel castors ●
- Steel inner frame ●
- High quality screw strut ●

This Visitor Chair is available in all standard KAB Interface Xtreme and Vision trims. Please refer to the KAB Seating Fabric Selector for full details.

Robust, comfortable visitor chair. The backrest recline feature also makes this a good chair for meeting rooms.
